SPECIALTY: Pacific Orthopaedic Associates provides the highest quality care in Orthopaedic Surgery in the San Gabriel Valley. Our expertise includes specialists in Hip and Knee Replacement, Sports Medicine and Arthroscopy, Shoulder/Elbow Disorders, Neck and Back (Spine) Disorders, Foot and Ankle Surgery. Our 6 doctors have a collective 93 years of experience in the practice of Orthopaedic Surgery. We have extensive expertise in state of the art minimally invasive surgeries. Our friendly staff

is ready to assist patients in English, Mandarin, Taiwanese, Cantonese, Vietnamese, and Spanish. The doctors in our group have participated in many prestigious activities including team care of the Baltimore Ravens, University of Kentucky, U.S. Olympic athletes, Mountain Pacific Conference athletes, Pac 10 Conference athletes and many college and high school athletes. We are proud to be faculty at USC medical center as well as other medical schools in California.
